1. POLICY PURPOSE & CORE PHILOSOPHY

Our organization is committed to providing a fair, inclusive, transparent, and supportive work environment. This policy establishes standardized guidelines across the entire employee lifecycle—from recruitment through professional growth and offboarding—ensuring consistent, respectful, and legally compliant workforce management.

2. RECRUITMENT, SELECTION & ONBOARDING

We aim to attract, select, and integrate high-caliber talent based strictly on merit, competency, and organizational alignment.

- **Fair Recruitment & Selection:** Open requisitions must feature clear, objective job descriptions outlining core duties and required skills. Selection involves structured, panel-based interviews and standardized assessment criteria to eliminate individual bias.
- **Background & Reference Verification:** Offers of employment are contingent upon successful verification of professional references, employment history, and required credentials.
- **Structured Onboarding:** New hires undergo a 30-60-90 day orientation program designed to provide necessary equipment, system access, policy training, clear expectations, and an assigned peer mentor.

3. ATTENDANCE, WORKING HOURS & LEAVE POLICY

Reliable attendance and well-balanced working schedules ensure operational excellence while supporting employee well-being.

Category	Standard Provisions	Notification & Approval Process
Working Hours & Schedule	Standard 40 hrs/week; core hours 09:00–17:00 with flexible options where applicable.	Clock-in/out via company HR portal; advance manager notification required for schedule shifts.
Paid Annual Leave (PTO)	Standard accrual model based on tenure and employment contract terms.	Submit PTO request in HR portal at least 5 business days in advance for manager approval.
Sick & Emergency Leave	Paid sick leave for personal illness or caring for immediate family members.	Notify line manager via call/message prior to shift start; medical note required for >2 days.
Parental & Special Leave	Maternity, paternity, bereavement, and jury duty provisions per statutory guidelines.	Formal notice submitted to HR with supporting documentation as early as practicable.

4. PERFORMANCE EVALUATION, TRAINING & GROWTH

> **Continuous Growth Commitment:** Performance management is an ongoing, constructive conversation designed to recognize accomplishments, address skill gaps, and foster professional development.

- **Annual & Bi-Annual Reviews:** Formal performance evaluations occur twice yearly using balanced scorecards (Goals, Key Competencies, Core Values). Employees complete a self-evaluation prior to the review.
- **Professional Development:** We provide structured learning opportunities, including internal skills workshops, external certification support, and tuition reimbursement programs for approved career growth.
- **Performance Improvement Plans (PIP):** When performance falls below acceptable standards, a structured 30/60-day PIP is initiated with clear targets, weekly check-ins, and dedicated manager support.

5. EQUAL OPPORTUNITY & RESPECTFUL WORKPLACE

We maintain a strict zero-tolerance policy regarding discrimination, harassment, bullying, or retaliation of any kind.

- **Equal Employment Opportunity (EEO):** All employment decisions—including hiring, promotion, compensation, and training—are made without regard to race, gender, age, religion, disability, sexual orientation, or any legally protected status.
- **Dignity & Respect:** Every employee is entitled to work in an environment free from verbal, visual, or physical harassment. Microaggressions and hostile workplace behavior are addressed promptly through disciplinary channels.

6. FORMAL GRIEVANCE PROCEDURES

Employees who experience or witness unfair treatment, policy violations, or harassment are encouraged to report issues without fear of reprisal:

Step	Action & Protocol	Timeline / Responsibility
Step 1: Informal Resolution	Direct discussion with line manager or HR representative to address concerns informally if safe and appropriate.	Within 5 business days of incident
Step 2: Formal Complaint	Submit a written grievance form detailing facts, dates, witnesses, and desired resolution to HR.	HR acknowledges within 24 hours
Step 3: Investigation	Impartial investigation conducted by HR or external investigator, including private witness interviews.	Completed within 10 business days
Step 4: Decision & Appeal	Written findings provided to involved parties with corrective actions. Appeals may be submitted to Executive Leadership.	Appeal window: 5 business days

7. CONFIDENTIAL PERSONNEL RECORDS

Employee personnel files—including contracts, performance evaluations, medical records, and compensation details—are strictly confidential. Access is restricted exclusively to authorized HR personnel and direct line managers on a need-to-know basis. Employees may request access to view their own personnel file by contacting HR.

8. RESIGNATION, OFFBOARDING & EXIT PROCEDURES

Offboarding is managed systematically to ensure business continuity, security, and a positive transition:

- **Notice Period:** Professional staff are expected to provide a minimum notice period (as specified in their employment contract, typically 2 to 4 weeks) upon resignation.
- **Knowledge Transfer & Handover:** Resigning employees must complete a formal handover document detailing active projects, key contacts, and system credentials prior to their final day.
- **Asset Recovery & Access Revocation:** All company property (laptops, badges, tokens, data) must be returned on or before the final day, at which time system permissions are decommissioned.
- **Exit Interview:** HR conducts a confidential Exit Interview to collect constructive feedback on organizational culture, leadership, and operational improvements.
